**“Going Pear-Shaped”**

## **Resolution:**

“A group of shareholders tabled the resolution calling for an end to the company's part in controversial 'exam factory' testing in the US and the privatisation of schools in developing countries.

“Pearson said the board gave this resolution due consideration but recommended that shareholders vote against it. The resolution was defeated by 578,510,587 votes to 14,016,634.”
